LemMin (I)

Animal Nutrition: Trace Mineral Premix

LEMMENS SHARDLOW

LEMMENS SHARDLOW (INDIA) PVT. LTD.

Established in 1993, as a privately owned Indian Company, specialising in the marketing of animal nutrition products. Our fundamental principal is to supply superior quality products at a fair price. Our sales team is always with the customers, assisting them in their efforts to keep their animals healthy.

The Company's objective is to bring the best from around the world and contribute to India's growth story.

One such strong partnership is with **MIAVIT, Germany** with whom we have been associated with since 2010.

MIAVIT, Germany

The name **MIAVIT** has been synonymous with minerals and vitamins since the Company was founded in 1964. Today, the Company is Germany's largest animal feed premix manufacturer and exports its products to more than 80 countries worldwide.

For the Indian market, the products are imported directly from **MIAVIT's** plant in Essen, Germany and is distributed in the original bags with fully disclosed formulations.
