BIOSOL®
Nature's way to a cleaner world

PORTAKLEEN®

Organic Waste Degrader | Biodegradable | Enviroment-friendly

APPLICATION AREAS:

- Portable toilets at construction sites, trains, aircrafts, ships, submarines, etc
- Upset sewage treatment plants (STP)
- Septic tanks
- Toilet pits
- Open defecation during mass gatherings
- Water closets
- Recreational vehicles
- Marine holding tanks

ABOUT PORTAKLEEN®:

Portakleen® contains a unique, rapid-acting formulation, specifically designed to act as an effective organic waste degrader and an odor controller. It provides long-term odor control by removing the organics that cause odors and preventing the return of odor-causing compounds.

BENEFITS:

- Fast acting enzymes destroy odor, instead of masking it behind perfumes, leaving behind a fresh fragrance
- Keeps the system odor-free during periods of busy use
- Non-corrosive in nature, hence it does not adversely affect the system
- Convenient and safe to use as it does not contain formaldehyde

PORTAKLEEN®

Organic Waste Degrader | Biodegradable | Environment-friendly

RECOGNITION WON BY PORTAKLEEN®:

GreenPro Certified by the Confederation of Indian Industry (CII) Green Products and Services Council, qualifying as a green product.

USAGE:
