BIOSOL®
Nature's way to a cleaner world

FRESHIN™

Odor Controller | Biodegradable | Environment-friendly

APPLICATION AREAS:

- Garbage and waste collection areas
- Garbage collection trucks
- Landfills
- Washrooms
- Public area restrooms
- Air-conditioned interiors
- Elevators
- Basements
- Carpets and upholstery
- Kennels and Litters
- Loading docks
- Fitness facilities
- Laundry rooms

ABOUT FRESHIN™:

Freshin™ is a technologically advanced odor controller that eliminates odor and prevents its return. Odor control often involves the use of perfumes or other odor masking agents that do not eliminate odor but temporarily mask it, allowing its return. Freshin™ acts to remove the odor from its source. It combines immediate control and destruction of the odor molecules by binding, surrounding, and removing the organics that cause odors in a single application. Freshin™ uses advanced biotechnology for long-term odor control.

BENEFITS:

- Effectively controls all major classes of malodorous compounds
- Prevents the return of persistent malodors by removing the source, penetrating the pores of surfaces, carpets and underlying areas and degrading residual organics
- Eliminates lingering organic odors and brings nature's secret indoors for a fresher, cleaner environment

FRESHIN™

Odor Controller | Biodegradable | Environment-friendly

RECOGNITION WON BY FRESHIN™:

GreenPro Certified by the Confederation of Indian Industry (CII) Green Products and Services Council, qualifying as a green product.

USAGE:

- Mix contents well before use.
- Test on an inconspicuous area for colour fastness if being used on carpets, upholstery or fabric. It is ready to use.
- Apply as direct spray, not as an atomizer.
- The characteristics of your system (operation/usage) will determine exact dosage as well as frequency of use. Please contact your supplier for the dosage that best suits your requirement.

CHARACTERISTICS:

- **pH :** Neutral
- **Flash Point:** Non-flammable
- **Appearance:** Clear Liquid
- **Fragrance:** None

PACKAGING:

2 x 5 litre cans ; 500 ml bottles

SHELF LIFE:

2 years from the month of manufacture.

STORAGE:

Store in a cool, dry place at room temperature.

PRECAUTIONS:

While this product is non-toxic, non-corrosive and non-poisonous, it is wise to keep it out of reach of children and to follow basic precautions of use. Wash your hands with warm, soapy water after use. Avoid contact with eyes, open cuts or sores. In case of contact with eyes, flush with water. Seek medical advice if irritation persists. Do not use this container for storing beverages or other liquids.
